Code Club (C^2)
Constitution

Code Club (C^2) is an organization that will provide otherwise hard to find opportunities to expand members' coding skills and interests.

Preamble

We the students of Diamond Bar High School hope to create this club to unite those who are interested in computer programming. This club will contain four main sectors. The first one will be algorithmic coding, or "sport programming", which is a highly competitive area of programming. The second will be exploits such as those found in CTFs (Capture The Flag). The third will be app development. The last one will be attending hackathons such as HackSC and Penn Apps.

Article I - Name

The official name of this club shall be Code Club, or C^2 for short. Its competing name shall be Team C^2.

Article II - Membership

Anyone who meets these requirements may join:
1. Must be a student who is currently enrolled in Diamond Bar High School.
2. Must have at least a "C−" in all academic classes, with an overall weighted Grade Point Average (GPA) of 2.5 or above.

Article III - Selection of Officer's Term or Office and/or Qualifications

The positions of President, Vice President(s),Treasurer, Secretary, and IOC Representative will be appointed by the club president.

Article IV - Meetings

Meetings shall be held at least two times a month, usually during lunch. Meetings may be for workshops or general meetings. The President or Vice President(s), in the absence or with the approval of the President, shall have the power to make exceptions. Meeting announcements will be through Facebook and/or email.

Article V - Amendments

All amendments to the constitution shall be discussed by the club officers listed in Article III. A majority rule shall determine whether an amendment is made. In addition, as long as USB has this rule, all changes to the constitution will need to be ratified by the USB Executive board.

Article VI - Schedule

This constitution becomes effective as soon as it is passed.
